[The Lions Online Global Advocacy Toolkit](#)

Lions listen to the needs of their communities and are voices to create change. Advocacy is a new way you can serve to further the mission of Lions Clubs International, Lions Clubs International Foundation, and the causes you care about. You can participate in advocacy by using your voice—through community awareness and education, legislation and public policy, events and partnerships. As community leaders, Lions and Leos can speak for those who need to be heard in front of those who need to hear them.

The First 30 Days in Your Position

The beginning of the fiscal year is a crucial time for a service chairperson to complete many tasks. This includes reviewing the results of previous club assessments of community needs and previously implemented service activities. Upon review, it is best practice to complete a new [Club and Community Needs Assessment](#) since a community's needs are ever-changing. Another important task is to set up a system to retain club service activities records. You will also be preparing reports for the club board of directors, including revenues and expenses from fundraisers, service committee reports and decisions and actions taken by the club and board of directors in regards to club service.

Attend Club Officer Training Offered by Your District

The training offered through your district is designed to assist your entire team of club leaders to be more effective as a leadership team and provides an opportunity for each officer to learn the basic skills of the most common tasks. Take time to regularly meet with other Global Action Team Chairpersons within the club and district to exchange ideas and successful strategies for growing membership, deepening service and developing leaders.

Establish the Service Activities Calendar

To keep the members engaged and foster meaningful involvement, the service activities and projects calendar should be planned out well in advance and communicated continually to club members. A thoroughly planned club calendar with all meetings, events and service activities should be prepared by the club officers as a group while setting annual goals.

- Per direction from the club president, plan the major service activities and fundraisers and include in these in club calendar for the next fiscal year.
- Create an annual event calendar which is continually updated, publicized and readily available for the club members.
- Share event calendar with community leaders and other service organizations within the community.
- Recruit project chairpersons and follow-up regularly on progress of service activity planning.
- Share [project planners](#) and other service related resources from LCI's Resource Center with project chairpersons.
- Connect project chairpersons with GLT Chairperson to encourage and foster leadership development.
- Post your service activities on MyLion in order to promote the event and get community members involved.

- Prepare service activity reports for the quarterly meetings of the District Governor Advisory Board Committee meetings (zone meetings). Be ready to celebrate your successes and share best practices!
- Prepare press releases for local newspapers about the service activities completed by Lions within the community each month.
- Maintain a calendar of district and multiple district service activities if applicable to your area.

Check [Lions Clubs International Events Calendar](#) and create events in your calendar if applicable to your area.

This online calendar provides important information and dates of major service, leadership and membership programs, initiatives and events, including the International Convention.

Monthly Tasks

As club service chairperson, you will monitor club service activities at different stages of planning or completion on a monthly basis. You will be preparing for meetings, keeping meeting minutes, completing follow-up and organize service activity project planning documents. You will also be communicating with the international association and district on a monthly basis.

As the club service chairperson, you will serve as the expert and liaison between the club and the community – it is important to regularly meet with club officers in addition to the GAT chairpersons within the club.

Prepare for Programs and Meetings

- Be ready to share announcements and sign-up sheets at each club meeting for upcoming service activities. It is important to have sign-up sheets available to club members to take with them to share with community members interested in serving their community.
- Prepare or compile service activity reports and future activity promotional items for distribution at general membership and board meetings as requested by the club president.

Maintaining Service Activities

A well-maintained project book is helpful for service activity chairpersons; providing step-by-step tasks from planning to follow-up for major service activities, some of which occur annually. This also eases the task for new incoming service activity chairpersons by providing a foundation for ensuring continuing success for your club's service activities.

- Always provide an ongoing update of all service activities for the general membership, committees and board meetings.
- Collect, distribute and retain service committee reports for permanent meeting records.
- Maintain necessary financial documentation for the club treasurer to provide if needed to local taxing or registering bodies.
- Work with the club secretary or treasurer to obtain [insurance certificates](#) as required for activities.
- At each meeting, record members who volunteer to participate in club and or community service activities. This will allow the project chairperson to know who will be participating and allow for non-members to be contacted about joining Lions.

Report Service Activities in MyLion

Report service activities monthly. If you need a back-up, the club secretary may also report service activities on your behalf.

When you use MyLION, the service activities you report in MyLION are instantly available to your zone and region chairperson as well as the district officers.

Quarterly Meetings

Zone Meetings

As club service chairperson, you have a responsibility to participate as one of the key officers involved in at least one of the quarterly zone meetings each year. Zones consist of a group of 4 to 8 surrounding area clubs. The club officers from these clubs meet on a quarterly basis, usually during the first three quarters of the fiscal year, led by your zone chairperson. You can find all of your district officers' contact information on your club homepage of MyLCI. Look there for your zone chairperson's name and contact information.

[The Model District Governor Advisory Committee Meeting](#) - This guide assists both the zone chairperson and club officers in understanding what to expect at the quarterly zone meetings. Often times the zone chair asks a club to report regarding service, membership, leadership or other events. Each meeting may have a specific focus and provides an opportunity for club officers to

meet and learn from each other. Be ready to share your club's plan for service for the year and best practices with your fellow club service chairpersons.

Annual Events

District/Multiple District Conventions

Completing a service project in the community where your district convention is being held is a great way to collaborate with your fellow club service chairpersons and the district Global Action Team. Together you can make a positive difference in that community and let everyone know that Lions are there "to serve."

The International Convention

This annual world-wide celebration of Lions service culminates with multiple service activities being implemented in the host city. This is also a great event at which you can explore new ideas and best practices to bring back to your club; to improve the local service you provide for your community's greatest needs.

Year-end Check List

Complete Award Applications - Additional appreciation plaques, awards and Lions branded recognition products are available in the [LCI Shop](#).

Prepare Documents and Orient the Incoming Club Service Chairperson

A notebook is often used to retain documentation of service activities project management, critical "check lists" of tasks and results of fundraisers or total participation in an event. If this is maintained on a monthly basis, it will be ready to serve as a reference for the incoming club service chairperson. If the club chooses to retain files electronically, all items that pertain to the documentation of service activities committee meetings should be included.
