

## **Lions of Virginia Foundation (LOVF)**

### **Major Disaster and Emergency Relief request:**

There is no form required to request an LOVF Emergency Disaster Relief Grant.

The process is as follows:

1. The Club President contacts the District Governor of the disaster in the Community.
2. The District Governor will contact the LOVF President requesting \$10,000 in emergency disaster funds.

The funds are generally available within 24-48 hours.

3. As soon as possible, after the emergency is over, a summary report of the use of the funds should be

forwarded to the LOVF Treasurer. The form can be found at [lovf.org](http://lovf.org) under the Standing Rules.
